I am, Sir, very respectfully, Sir, your obedient servant.

But this arrangement seems to His Lordship in Council to be insufficient. It does not provide what it ought to do, for deductions from Salary by the Comptroller and Auditor General, and His Lordship in Council therefore directs that in future all cases in which Leave not notified in the *Government Gazette* is granted to Unaccompanied Secretaries in excess of the few days provided for in the Financial Resolution No. 2520 dated the 12th June 1857, shall be referred to His Lordship in Council for consideration.

NOTICE is hereby given, that on Monday, the 10th January 1859, at the hour of Eleven o'clock in the forenoon, will be put up to Sale, at the Exchange Rooms at Calcutta, and sold by Public Auction, for exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1857-58, subject to the following conditions, *viz.* :—

Produce of Behar Agency	...	Chests	1,915
Ditto of Benares ditto	...	"	345
Total Chests			2,260

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which Provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 2,260 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 15th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of Resale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such Resale, shall be borne and paid by the defaulters, whilst any profit accruing from such Resale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th January will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M., of Tuesday, the 25th January 1859, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per Cent even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Resale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Resale.

9. Purchasers taking out Certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each Certificate or order and it is to be clearly understood that the Certificates or orders so taken out shall be considered final, and not afterwards changeable for other Certificates or orders authorizing the delivery of single lot or of a different number of lots, or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or order.

10. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue, is empowered to reject, at his discretion, the bid of any individual unless such individual shall on demand tender at the time of deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold

below the minimum price of 400 Rupees specified in the Second Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1. Certificate of the Opium now advertized for Sale.

No. 2. Report of the examination of such Opium.

16. The Public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1857-58, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, viz., two of the Season's provision under Sale, and two of the previous Season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of the Opium for Shipment.

18. The Public are hereby informed that in addition to the quantity above-mentioned for Sale in January, the following quantities more or less of Behar and Benares Opium of 1857-58 will be brought to Sale in the year 1859, on or about the

No. 600 of 1858.—The Right Hon'ble the Governor General is pleased to direct the publication of the following letter from the Adjutant General of the Army, forwarding a Despatch from Brigadier Douglas, C. B., Commanding the disturbed Districts of Behar and Ghazee-pore, narrating the final dislodgement of the Rebels from the jungles of Jugdeespore in Shahabad, and their pursuit into the Kymore Hills.

The Governor General cordially concurs with the Right Hon'ble the Commander-in-Chief in the unqualified approbation His Excellency has expressed of the perseverance and constancy of Brigadier Douglas, C. B., and of the prudent measures adopted by him in attaining this object. His Lordship also highly approves of the conduct and gallantry of the other Officers, and of the whole of the men engaged in these operations.

FROM THE ADJUTANT GENERAL OF THE ARMY,
TO THE SECRETARY TO THE GOVT. OF INDIA,
Military Department,
with the Govr.-Genl.

SIR,

I have the honor, by order of His Excellency the Commander-in-Chief, to forward for submission to the Right Hon'ble the Governor General, a despatch from Brigadier J. Douglas, C. B., in which that Officer narrates the final dislodgement of the Rebels from the jungles of Jugdeespore in Shahabad, and their pursuit into the Kymore Hills.

2. His Excellency would take this opportunity of bringing to the especial notice of the Government the perseverance and constancy of the Brigadier Commanding, who, after a most harassing and anxious campaign of many months, has at length obtained complete success by the prudence of his measures, and the indefatigable exertion of himself and the Troops under his command, in carrying them into execution.

3. It has been his lot to contend against a hostile country, as well as against the bodies of Mutineers and other Rebels who found harbourage in it. The difficult duty of clearing the District, delayed for a long time by the impossibility of acting in a satisfactory manner, while the District was absolutely flooded by the late rains, could not be attained by sudden or hasty measures. It was necessary for the Brigadier to proceed gradually and surely, enclosing the enemy in a system of posts, which at last he was able to press forward simultaneously, and so put an end to the struggle in Shahabad.

4. The pursuit which afterwards ensued is of very remarkable character.

5. His Excellency strongly recommends to the protection of the Governor General the Officers mentioned with distinction by Brigadier Douglas.

I have, &c.,

(Signed) W. MAYHEW, *Lieut.-Colonel,*
Adjutant General of the Army.

ADJT.-GENL'S OFFICE;
ALLAHABAD,
The 18th December 1858. }

FROM BRIGADIER DOUGLAS, C. B.,

Comdg. the disturbed Districts of Behar
and Ghazee-pore,

TO THE ADJT.-GENL. OF THE ARMY,
Army Head Quarters, Allahabad,
Mohunera, 31st October 1858.

SIR,

IN continuation of my letter of the 27th instant, I have now the honor to report, for the information of the Right Hon'ble the Commander-in-Chief, the further operations, since the 14th instant, of the various Columns acting in Shahabad under my orders.

To explain the relative position of the Rebels and my own Columns, I must premise that the enemy, estimated at 4,000 Sepoys of the old Bengal Army, and from 400 to 500 Cavalry, were, on the 9th instant, when I commenced my movement from Dinapore, distributed over the District in five large divisions as follows:—

One at Jugdeespore.

Another between Buruhpoor and Chungaen, a portion of these said to be entrenched, with two guns in position, at Buruhpoor.

A third at Peeroo, south of Jugdeespore.

A fourth at Karee Sath, (north-east of Jugdeespore.) And the fifth at Balawur (14 miles due east of Jugdeespore.) To operate against these several bodies, and with a view of driving them towards the common centre, Jugdeespore, I had issued orders for the following movements. On the 13th October four Columns were to move from Buxar, and driving the enemy before them, to form in conjunction with the Force under Colonel Turner, advancing from Sasseram, a connected line from the Ganges to the Soane, and thus close the enemy into the jungle on the west and south sides. These four Columns were composed and commanded as follows:—

One under Major Lightfoot, 84th Regiment (strength as per margin) to march to Puhareepore on the direct Arrah and Buxar road.

H. M's. 84th Regt. 150 men.
20th Punjaub Infy. 187 men.
4th Madras Cavalry 80 Sabres.

H. M's. 84th Regt. 100 men.
20th Punjaub Infy. 150 men.
4th Madras Cavy. 40 Sabres.
3rd Seikh Cavy. 40 Sabres.

H. M's. 84th Regt. 126 men.
20th Punjaub Infy. 200 men.
3rd Seikh Cavy. 80 Sabres.

H. M's. 84th Regt. 100 men.
20th Punjaub Infy. 150 men.
3rd Seikh Cavy. 80 Sabres.

The second under the personal Command of Colonel Dunsford, C. B., (hitherto Commanding at Buxar, and to whom the details of the operations on the west side of the jungle were entrusted) to Peepradh.

The third under Captain Snow, 84th Regiment, to Peeharee Chuk.

The fourth under Major Carr, Madras Rifles, to Ekil.

The above Columns were directed to be in position by noon on the 15th instant, driving all before them towards the jungle, and to form a connected line of Infantry, with advanced Cavalry posts in the intervals. Colonel Turner was to form three posts to the south, thus completing the chain from the Ganges to the Soane, and he himself with a Movable Column was to drive in the southern division of the enemy at Peeroo. Colonel Walter was to take up his position to the east of Jugdeespore, he having previously driven into the jungle the Balawur division of the Rebels.

The operations up to the 14th October, including the skirmish on that date near Karee Sath, have

already been reported. On that day the guns of the Rebels were heard from the direction of Burahpoor, and the report from Colonel Dunsford received next day (forwarded herewith) shewed that the portion of the general plan entrusted to him had been promptly and skillfully executed. The same success had attended Colonel Turner's and Major Carr's Columns, as also that of Colonel Walter and my own, as previously reported.

Finding that complete success had attended these operations on the night of the 15th instant, I sent orders for the whole of the posts to close towards the jungle. These had to be conveyed through a country swarming with the enemy, the road lying in some places actually through their picquets in the jungle. I accordingly entrusted their transmission to selected Detachments, respectively under Troop Sergeant Major John Shiel and Sergeant William Bird, of the 2nd Battalion Military Train. As this was a duty of a very peculiar nature and most important, I hope to be excused in mentioning by name every individual employed, for right well did these excellent Non-Commissioned Officers, and the gallant men under their command, fulfil their errand; they passed in safety through great dangers, reaching their destination at the time appointed, carrying the instructions to the advancing Columns, thereby enabling them to co-operate as desired.

On the 16th instant, the Force as per margin, under my personal Command, moved from Arrah and arrived at Beeheea (at the north-east corner of the jungle) on the morning of the 17th instant.

17th at 10 o'clock A. M., I was in communication with Major Lightfoot's Column on the

west; a connected line of posts was at once established along the Railway embankment, passing through and closing the north of the jungle. My Cavalry and the mounted Rifle Detachment of the 10th Foot were pushed on to the village of Roophan further south, about two miles east of the village of Dawa, and were employed the whole day in skirmishing with detached parties of the enemy, who appeared in the skirts of the jungle, either from a wish to break out towards the Soane or to discover our intentions. During the afternoon, I pushed forward, in support, a Company of the 35th Regiment under Command of Captain Browne, who, in conjunction with the Cavalry and mounted Riflemen, held the enemy in check during the night. I purposely kept their attention engaged in this quarter, to give time for the completion of the closing movements of my converging Columns, with all of whom I was in frequent communication. At 1 P. M., I sent orders to Colonel Walter and Colonel Turner. (the former then actually at

Arrah but supposed to be at Ukgaon on the Soane, the latter at Peeroo) directing them to be, Colonel Walter at Musondhee 3 miles east of Jugdeespore by noon on the 18th, and Colonel Turner in communication with the Force of Major Carr, then stationed on the west of the jungle, to form a connected line across it, the left of which was to rest at Janwan on the west, the right, on the plain to the east of the jungle. On the line being formed, it was to advance skirmishing up the jungle direct on Jugdeespore, so as to arrive there by noon. My Column, in conjunction with that under Major Lightfoot, was to skirmish south to Jugdeespore, and attack the entrenchments on the north and east, while Colonel Dunsford, advancing from Hetumpore, attacked on the north-west.

The above rough sketch of the movements and distribution of my several Columns (most minute details, too long to enter into here, had been issued to, and acknowledged by the several Officers Commanding) will show that I entertained no unreasonable expectation in hoping to hem the Rebels into their stronghold by noon on the 18th instant, and then, by a simultaneous assault on all sides, to end the campaign in Shahabad at one blow.

The whole of the arrangements, with one exception, were completed almost beyond my expectation, considering that my chain of posts extended over about sixty miles.

Colonel Walter, who had been directed to take up his position at Musondhee, 3 miles east of Jugdeespore, unfortunately found it necessary (in consequence of the unfavourable reports he had received of the inundated state of the country) to make a circuit of some 30 miles *via* Arrah, and hence did not reach his post until late in the afternoon; the gap thus left open was only too readily taken advantage of by the enemy. Colonel Turner from the south, and Colonel Dunsford from the north-west, encountered considerable opposition in their advance on Jugdeespore, as is shewn by their several reports; my own advance was almost without opposition, and we arrived at Jugdeespore to find it evacuated by the enemy, whose rear guard left their entrenchments on one side, as we entered them on the other. The Rebels had fled, abandoning two guns and their immense earth-works (surprising from their extents and the time and labour evidently expended on their construction), having finally made out a feeble resistance. For some time no trace of the main body could be discerned, as none of Mr. Money's numerous spies had returned with information. About 3 P. M., receiving what appeared reliable information that the enemy had fled south, leaving Colonel Dunsford's Column to garrison Jugdeespore, I pushed on with my own and Lightfoot's Column towards Jhitowra, and meeting Colonel Turner, I directed him to proceed at once to Suhar on the Soane, to anticipate any movement of the enemy across the river into Behar. It subsequently transpired that the enemy had turned eastwards, I therefore, at 8 P. M., despatched Major Sir Henry Havelock with all the disposable Cavalry and mounted Riflemen of the 10th Foot, directing him to march rapidly through Arrah, and then proceed up the left bank of the Soane; at 10 P. M., I despatched Colonel Walter, with his Infantry only, to follow the Cavalry towards Nansagor, moving direct on that place, and thus taking a more northerly line than that on which the Rebels were marching; they would have a force both north and south moving parallel to them, while Major Sir H. Havelock's Force, moving along a good road the whole way, would, I anticipated, be in time to turn them off from the Soane. Orders were also sent to the 4 Companies of Madras Rifles on the right bank of the Soane to be on the alert. Halting during the night of the 18th at Narainpore, I marched at day-break on the 19th, to Arrah (where I left the Madras Battery guns and the mortars) with a view of crossing the Soane at Koelwar ghat if necessary.

During the night I heard that the Rebels, headed

and turned by the Forces which had been sent in pursuit, had halted during the night of the 18th, at Bullageon, about (6) six miles east of Jugdeespore, and had moved the next day to Gudhuncce, towards which place I followed them on the 20th sending orders to Colonel Walter, who had remained the whole of the 19th near Gudhuncce, to follow up the enemy, who, on my approach, turning south-east from that place to Sheopore, had eventually gone due south towards Baruth. Having first been misled by false information to Sheopore, I myself regained the Peeroo road, and marched so as to move on the right flank of the enemy, and halted that night at Peeroo, (33 miles' march). Sir Henry Havelock meanwhile, having also heard at Nan-Sagor, at 3 A. M., that the rebels had passed the night of the 19th at Ghudhuncce, had marched at 7 A. M., direct for that place, and thence after me to Sheopore, from which place I now despatched him in pursuit of the enemy towards Baruth. His report will describe the successful skirmish at Nonadee, in which, by his co-operation, Colonel Turner's Column was enabled to hem in and kill 400 of the Rebels, besides 100 more who made direct for the Soane, retracing their steps on finding themselves cut off from the main body, and who were ridden down and sabred almost to a man by his Cavalry near Pooruhura. Colonel Walter, following the main body due south, bivouacked that night to the south of Nonadee near Sukreta, where Colonel Turner's and Sir Henry Havelock's Forces were also assembled. 21st October, intelligence reaching me during the night that the enemy had gone to Suhejnee, I marched from Peeroo in pursuit at 5 A. M. but about 6-30 A. M., I ascertained that they had turned west, and were supposed to be making for the south of the jungle; it was some hours before certain information could be obtained. I then learnt that the enemy had gone to Koath Kas, for which place I immediately marched. The Cavalry had now reached Suhejnee, from which place Sir Henry Havelock rode over to my Force for orders. About noon I desired him to proceed to Koath Kas. This he did, and reaching it about 4-30 P. M., engaged the Rebels, whom he found cooking, and drove them through the town in an easterly direction, killing and wounding a great many. About this time, 5 P. M., the Column under my command, which had been marching all day, came in view of the enemy, who, pressed by the Cavalry from the west, were in considerable commotion, and evidently preparing to move off from the strong position they had taken up. A walled village, surrounded by a deep moat, and a succession of enclosed gardens covered their left, and a mass of dense tops of trees flanked their right. A small party of the enemy's Cavalry were drawn up to my right front, and appeared disposed to threaten the baggage, which I immediately closed up, and forthwith prepared for action. A strong body of about 400 Rebels, who were occupying a tope of trees on my left, evincing a resolute determination to hold their position, I ordered up Captain Simeon's guns, covered by a Company of the 84th under Major Lightfoot. A smart fire was poured upon the guns. The Artillery practice was excellent, and several shells, bursting in the very midst of the Rebels, threw them into confusion, and the Company of the 84th rushing forward at this opportune moment, speedily cleared the enclosure, and drove the Rebels headlong before them. In the meantime, the 85th Regiment, in skirmishing order, advanced rapidly on the main body, who were retiring by our right, still pressed closely by the Cavalry. I continued following the Rebels for some little dis-

tance, when the darkness of the night, and the heavy nature of the ground, rendering further pursuit useless, I halted and bivouacked in front of the village of Mujhowlee. In this affair the enemy's precipitate flight and the lateness of the day saved them from severe loss, but they left some 30 Sepoys dead on the field. 22nd October, information having reached me that the enemy had fled south through Huldheea, I accordingly moved at 7 o'clock A. M. in that direction. Here I found Major Sir Henry Havelock, who, having passed the night at Lethan, had marched at day-break for Huldheea.

After he had halted 2 hours, I sent him south to Looloonce. In the meanwhile the Rebels, on the evening of the 21st, enabled by their superior local knowledge, and having the whole country in their interests to elude us, had doubled due west, making for Dinarch and Kochas, a party of them moving through Bhanpore. This, however, was not ascertained for some hours afterwards, and supposing that they had gone south, I regained the direct Sasseram road, and marched to Bickerungung, whilst Colonel Walter was ordered to move parallel to me, 3 miles distant on my right flank. The Cavalry meanwhile had moved from Looloonce, nearly due west to Bhanpore, and thence to Dinarch, and Major Sir Henry Havelock sending back his information to Colonel Walter, that Officer followed in support towards Dinarch. Resting 4 hours at Dinarch, the Cavalry pressed on to Kochas, and hearing that Major Havelock had reached that place, and thence proceeded south, I marched on the morning of the 23rd from Bickerungung to Khuradee, which I reached about 8 P. M. Colonel Walter halted that night about 4 miles to the south of Kochas. The final skirmish between the Rebel Force and the Cavalry had now taken place near the village of Gourie, 13 miles north of the Grand Trunk Road, with only partial success, and without having turned them off their line of march for the hills. After this, their flight was continued due south to the Grand Trunk Road, but they were so closely pursued by the Cavalry, that they had no time to do the slightest damage. Colonel Turner, now at Jehanabad on the Grand Trunk Road, was warned too late of their approach. He made an attempt to cut them off, but his guns and Cavalry coming unexpectedly on an impassable nullah, he was compelled to abandon the pursuit. The Column under my command arrived at Jehanabad on the morning of the 24th, about 12 hours after the Cavalry, and was followed that same evening by Colonel Walter; both Columns halted. Colonel Turner had already despatched the Cavalry under Sir H. Havelock towards the hills, to which point he was himself about to follow; they returned next morning, not having been able to overtake the Rebels. I then directed Colonel Turner to take his Column along the left bank of the Soane to watch the Passes in the Kymore hills, and to prevent the enemy crossing into Palamon. I also detached 3 posts from my own Column to watch the passes on the Shahabad side of the hills.

Although it has been to me a source of some regret that my plans for surrounding and compelling the enemy to fight in his entrenchment of Jugdeespore, which had been concerted after the most careful and anxious deliberation, should have been frustrated by the unavoidable absence of one of my Columns on the morning of the assault, yet I venture to flatter myself that the pursuit which subsequently followed was sustained by such unwearied energy and vigour, and was marked by a success so signal, that I was more than compensated for my previous disappointment, and I have no hesitation in saying that this pursuit would have been still more destructive to the enemy, had they not been artfully screened by the inhabitants, every individual of whom, throughout the length and breadth of the District, systematically attempted to mislead and deceive us, and it was only by the most rigid and searching enquiry that we were enabled to keep on the trail of the fugitives

In the various encounters that took place throughout my operations, between seven and eight hundred of the enemy have fallen, besides numbers wounded; and those who, by their wonderful endurance, succeeded in eluding my pursuing Columns, only escaped with their bare lives, an utterly broken, disheartened and demoralized rabble.

And I am happy to add, that the District which was so lately infested by an enemy that could be numbered by thousands, and had held the whole country in terror, is now clear of every armed Rebel.

It is now my duty and gratification to bring to His Lordship's notice the names of those who have given me such cordial support, not only during the present operations, but during the whole time I have had the honor to command these Districts; and in such an extensive command, numbering a body of upwards of 8,000 men, I trust I may be pardoned for mentioning so many Officers.

I have to thank Lieutenant Colonel Turner, C. B., for the very able manner in which he has watched the Grand Trunk Road during the time it has been under his charge. I must also thank this energetic and tried Officer for his conduct in repeated engagements, particularly lately at Nonadec, where he nearly annihilated the enemy opposed to him. Colonel Turner, C. B., makes favorable mention of Major Ross, Commanding Camel Corps; Captain Luxmore, Commanding Detachment 37th Regiment; Captain Rattray, Commanding 1st Bengal Police Battalion; Lieutenant Currie, Commanding Detachment of 20th Punjab Infantry; Lieutenant Franklyn, Commanding Detachment Royal Artillery; Lieutenant Baker, Commanding Cavalry 1st Bengal Police Battalion; Lieutenant Gordon, 29th Regiment, Staff Officer; Captain Nicholson, Commissariat Officer, and Mr. Coles, Deputy Magistrate.

To Colonel Dunsford, C. B., I had entrusted very important and responsible duties. He had in the first instance to attack and dislodge an enemy strongly entrenched in position at Buruhpore, and afterwards to direct the movement of the Columns on the west side of the jungle. The admirable way in which these services were performed by this excellent Officer merits my warmest approbation. I regret much that he was severely wounded in attacking the entrenchment of Jugdeespoore. Colonel Dunsford, C. B., makes favorable mention of Major Fowler, who commanded 4th Madras Cavalry at the action of Buruhpore; Lieutenant Edwards, Commanding Detachments 20th Punjab Infantry; Major Lightfoot, Commanding 84th; Major O'Brien, 84th Regiment; Captain Morris, 4th Madras Cavalry; Captain Pratt, Commanding Wing 84th; Ensign Lightfoot, Commanding Detachment 20th Punjab Native Infantry; Assistant Surgeons Elliot and Eteson, respectively of the 4th Madras Cavalry and 20th Punjab Infantry, and Gregory, 84th Regiment.

Mr. Garstin, Deputy Magistrate, and Captain Lloyd, Stud Department.

My thanks are also due to Colonel Hutchinson, 35th Regiment, who led his Corps gallantly, and I regret that severe illness should have compelled him to relinquish his command. Colonel Walter, 35th Regiment, has displayed much zeal during his command at Arrah, and has been successful in several affairs with the enemy, and I beg to tender to this Officer my acknowledgments for his co-operation in the recent operations. Colonel Walter mentions favourably Major Butler, Commanding Detachment 2nd Battalion 60th Rifles; Captain Orme, Commanding Detachment 10th Foot; Captain Baring, Staff Officer; Lieutenant Ross, 35th Regiment, Commanding Detachment 1st Bengal Police Battalion; Assistant Surgeon Patterson, 35th, and Lieutenant Shaw, 2nd Battalion 60th Regiment, Field Adjutant.

Major Sir Henry Havelock, detached in Command of the Cavalry, mentions most favorably Captain Bartholomew, mounted Detachment 10th Foot, and Lieutenants Thompson, Bodkin, Corbet, and DeVine, of

the 2nd Battalion Military Train, (the first especially), and the distinguished gallantry of Lieutenant Beadon, 3rd Sikh Cavalry. He also mentions Lieutenant Baker, Commanding Cavalry 1st Bengal Police Battalion; Mr. Dunne, Indigo Planter, and Ressaldars Futtch Sing and Fyzoollah Khan, 3rd Seikh Cavalry.

Major Carr, Commanding Madras Rifles; Major Lightfoot, Commanding 84th Regiment; and Captain Snow, 84th, had all charge of Columns, and discharged the duties devolving upon them to my entire satisfaction. Major Carr, in addition to his services on the present occasion, has for some time commanded at Buxar, during which he has more than once encountered and defeated the Rebels, and Major Lightfoot has commanded his Regiment throughout this and the former campaign. To Captain Lisdall, who succeeded to the command of the 35th Regiment on the retirement of Colonel Hutchinson; to Captain Gibb, of the Bengal Artillery; Captain Robertson, Madras Artillery; and to Captain the Hon'ble D. Arbuthnott, Shahabad Police Battalion; Captain Wyatt, Military Train; Doctor Chambers, 35th Regiment, Senior Medical Officer, I am much indebted for the assistance they have afforded me, as also to Captain Simeon, Commanding Bengal Artillery and Officiating Commissary of Ordnance to the Force; to Captain Browne, 35th Regiment, Deputy Judge Advocate to the Force; and Lieutenant Champain, Bengal Engineers. Lieutenant Champain has displayed great ability as an Engineer Officer, and has rendered me great service.

To the Officers comprising my Staff, Major Sir H. M. Havelock, Bart., 18th Regt., D. A. A. General; Major Stevenson, 79th Highlanders, Brigade Major; and Captain Wilkinson, 4th European Light Cavalry, Deputy Assistant Quarter Master General, I am under the greatest obligations. But for their cordial assistance, I could not have carried on the duties entrusted to me and I can safely say, that three more zealous, untiring and intelligent Staff Officers are not in Her Majesty's Army, and I beg to be allowed to commend them to His Lordship's notice. I cannot conclude without mentioning the name of Mr. Alonzo Money, Collector of Shahabad, who accompanied me and was of great service in giving information. This gentleman is as distinguished for his gallantry in the field as for his qualities as a Magistrate. When the enemy escaped from Jugdeespoore, I looked about for the Officer whom I thought most capable of conducting a rigorous and difficult Cavalry pursuit. Sir Henry Havelock was the man I fixed upon, as being by his intimate knowledge of the Native language and character, his peculiar aptitude for obtaining information, and his indefatigable perseverance, the most fitted for such a command.

I need hardly say I am not disappointed; the Cavalry under their able and energetic leader were scarcely out of their saddles for five days, during which time they traversed upwards of two hundred miles, over a country so deep that the horses were constantly up to their saddle girths in water. This is the first occasion on which mounted Infantry have been employed in pursuit of a flying enemy, and I can safely say that the experiment was most satisfactory. To the Officers Non-Commissioned Officers and men who so cheerfully supported me in long and harassing marches, frequently wading up to their knees through swamps and water, without tents or baggage of any description I am under the deepest obligations, and to each and all I beg to offer my sincere thanks for their exertions during the past operations.

I beg to forward reports from Colonel Turner, C. B., Colonel Dunsford, C. B., Sir H. Havelock and Colonel Walter, as also a general return of the casualties which have occurred during the operations.

I have, &c.,

The Governor General highly approves of the energetic and gallant conduct of Lieutenant Clemons on the occasion.

Dated Camp Jeitpore, 25th November 1858.

SIR,

I HAVE the honor to forward for submission to the Right Hon'ble the Commander-in-Chief, copies of letters reporting the success of an attack made by Lieutenant Clemons, 3rd Madras European Regiment, on a party of Rebels in the village and gurhee of "Putna," which, I trust, will meet with His Lordship's approbation.

No. 887.

FROM BRIGADIER F. WHEELER,
Comdg. Saugor District,

TO THE ASSISTANT ADJUTANT GENERAL,
Saugor Field Division.

Dated Saugor, 15th November 1858.

SIR,

I HAVE great pleasure in forwarding letter from Lieutenant Clemons, 3rd Madras European Regiment, Commanding a Detachment which left Saugor on the 8th instant, with Treasure, toge-

ther with copies of two letters from Lieutenant-Colonel Partridge to him, the one asking the Lieutenant for co-operation in an attack on Rebels, and the other thanking him for such co-operation.

Lieutenant Clemons seems to have taken a very active and prominent part in this affair, and to have gained the entire approbation of Lieutenant-Colonel Partridge.

Putna is a fortified town and hill, with a deep jungle on one, and some jungle on all sides. It was stormed in May last by a Detachment 31st Bengal Native Infantry, under Captain Finch and Lieutenant Fellowes; but the town was not destroyed, as it should have been. It is one of the resorts of Jahgurrh Bundeelas, and will probably be re-occupied by them in a week.

I have, &c.,
(Signed) F. WHEELER, *Brigadier,*
Comdg. Saugor District.

FROM LIEUTENANT C. R. CLEMONS,
Comdg. Detachment,
TO THE BRIGADE MAJOR,
Saugor District.

Dated Camp Narheet, 14th November 1858.

SIR,
I HAVE the honor to report for the information of the Brigadier Commanding, that on the morning of the 13th instant, at the request of Lieutenant-Colonel Partridge, with

- 3rd Madras European Regiment.*
1 Lieut. C. R. Clemons.
1 Serjt., 50 Rank and File.
50th Madras Native Infy.

Surgeon C. W. Pickering, in
Medical charge of Detachment.
1 Subadar Major.
3 Havildars.
3 Naicks.
50 Privates.

parently abandoned the village, and had advantageously posted themselves in large numbers in the Fort, and among the rocks surrounding it.

3. On the arrival of the Detachment within about 400 yards of the hills, and while Colonel Partridge, Commanding the Force, and Major W. Lamb, Assistant Adjutant General, Lahore Division, who had kindly volunteered his services for the occasion, were reconnoitring the enemy's position, a heavy fire was opened upon them from the Fort, upon which Colonel Partridge returned to the advanced party, and led them on to the attack, and directed Major Lamb to take the reserve through the village, and advance up the other side of the hill.

4. The skirmishers advanced up the hill in a most dashing style, with the usual cheer, driving the enemy with rapidity from rock to rock, and in less than half an hour the Outworks and Fort were in our possession. The Rebels retreating into the dense jungle, were closely followed up; their loss cannot be determined upon with anything like accuracy, on account of the thickness of the jungle, but some bodies were found.

5. I am happy to say that there were no Casualties in our Detachment.

6. The conduct of Officers and Men met with my warmest approbation.

Comdg. Field Detachment,
Madras Army.

Dated Camp Narheet, 13th November 1858.

SIR,

A LARGE body of insurgents being reported in the neighbouring hills (said to be 1,500) who are much disturbing the Country, it occurs to me that we should hardly be performing our duty to Government without attacking them.

If, therefore, you will favor me with your co-operation to the extent of 100 Rank and File, half European and half Native, I think our united resources will be sufficient for their discomfiture and dispersion, and in such a cause I feel assured, the Brigadier Commanding at Saugor will fully approve of such a proceeding.

Dated Camp Narheet, 14th November 1858.

SIR,

OUR little affair of yesterday against the village and gurhee of Putna being over, and such an example made of the insurgents as will, I hope, lead to their dispersion, will you allow me the liberty of personally congratulating you upon the part taken by yourself, Officers, and Men in the attack.

As leader of the advance party, we may fairly attribute to you our success in the first place; and the steady conduct of your Officers and Men, under the sharp fire they encountered, I myself witnessed.

FROM THE MAJOR-GENERAL COMMANDING M. D. A.,
 TO THE ADJUTANT GENERAL OF THE ARMY,
Head Quarters, M. D. A.,
Camp Kurai, 26th October 1858.

SIR,

I HAVE the honor to inform you, for the information of His Lordship the Commander-in-Chief, that having arrived at Lullutpoor on the 22nd instant, with Force as per margin, information was brought to me that the enemy had been checked at the Syrus Ghât of the Betwah, and had rapidly returned to Jaclone. This place is about 8 miles South-South-West of Lullutpoor.

2. Without guns or wheeled carriage, the Rebels were able to move through the mountains and dense jungle, which comprizes the country from Jaclone, proceeding *via* Pauly, Narhut, Balabert, to Kunjea. I was therefore compelled to move by Malthon and Doojee by forced marches.

3. On the night of the 24th, I heard that the enemy was at Kimlasa; knowing that he would move during the night, I moved on Kurai at 2 A. M., and at dawn on the 25th, we discerned the Rebel army crossing our front just beyond Kurai.

As I was desirous of bringing my Infantry into action, I had ordered their march one hour before the

Cavalry; the consequence was that the Cavalry had only just come up in the rear, when the Infantry, under Colonel Lockhart, having cut the enemy's line of march in half, had wheeled to the right, and part advanced skirmishing. The Infantry had already dispersed the enemy, who were not formed up in order of battle when the Cavalry arrived.

5. Their duty then consisted in rapid pursuit; the ground was of so broken a nature that this could not be easily effected.

The Cavalry accordingly, in three different directions, pursued different bodies of the enemy.

Colonel Curtis, on the right, did not come up with any body of the enemy, who were on his side principally Cavalry, and was unable to advance very far, as the enemy threatened our long line of baggage. Captain Sir W. Gordon Commanded a body consisting of the 17th Lancers, and 3rd Light Cavalry under Captain Oldfield pursued for about 6 miles, and as usual did his duty very efficiently and well, cutting up numbers of the enemy.

Captain Mayne, with about 60 of his Horse, did thorough good service, pursuing the enemy for 9 or 10 miles, and killing about 150.

6. The Infantry followed about 5 miles, clearing villages of the enemy, and occasioning them some loss; the result of the day's proceedings was the cutting off, and driving to the North, about 3,000 of the Rebels, of which about 350 were killed: one half of the remainder threw down their arms, and the remainder were so spread over the face of the country as to make it a matter of difficulty again to re-assemble.

7. The main body under Tantia Topee, passed Kurai about two or three hours before our arrival, on march to the South.

8. It will be seen by the Map that the enemy, on the night of the 23rd, were 8 miles nearer Kurai by the jungle route; and as this could not be traversed by the Force under my Command, so the enemy were, in fact, at least 20 miles nearer to Kurai than ourselves.

9. The Infantry, by 1 o'clock P. M. on the 25th had traversed 62 miles in sixty hours, 12 miles of which was over broken ground, skirmishing with the enemy.

I solicit to bring this fact prominently to the notice of His Lordship, as a proof of the excellent spirit and devotion of the soldiery.

Produce of Behar Agency	...	Chests	1,915
Ditto of Benares ditto	...	"	345
Total Chests			2,260

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which Provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 2,260 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 15th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of Resale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such Resale, shall be borne and paid by the defaulters, whilst any profit accruing from such Resale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th January will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M., of Tuesday, the 25th January 1859, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per Cent even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Resale and the amount at which the Opium was

first purchased, forfeiting all advantages that may arise from such Resale.

9. Purchasers taking out Certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each Certificate or order and it is to be clearly understood that the Certificates or orders so taken out shall be considered final, and not afterwards changeable for other Certificates or orders authorizing the delivery of single lot or of a different number of lots, or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or order.

10. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue, is empowered to reject, at his discretion, the bid of any individual unless such individual shall on demand tender at the time of deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the Second Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1. Certificate of the Opium now advertized for Sale.

No. 2. Report of the examination of such Opium.

16. The Public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1857-58, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the Season's provision under Sale, and two of the previous Season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of the Opium for Shipment.

18. The Public are hereby informed that in addition to the quantity above-mentioned for Sale in January, the following quantities more or less of Behar and Benares Opium of 1857-58 will be brought to Sale in the year 1859, on or about the dates specified below. The Board, however, reserve to themselves the right of altering these dates should circumstances render it expedient to do so:—

Article 6th.—“With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood, that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three Hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*.”
